YES *Selecting this box authorizes us to charge your card for items or services *other* than agreement payments.

*We are able to keep our rates reasonable (we like to think so anyway!) in large part thanks to customer assistance & attention to timely payment remittance. We often find that electric bills, store supplies, emergency items or services/labor & material charges (spring prep work, fall stands & mast work, applicable launch bills, etc) arise during the course of your time here. Allowing us to charge your card as appropriate for those items or services helps us keep our costs down, saves postage, and eliminates late fees. *In addition, we promise not to sell your card info, use it for personal shopping sprees, etc., or abuse it in any other way* (☺) – this truly is a win-win for everyone! We appreciate your cooperation if possible.

I understand that payment, according to this Notice, is subject to all terms and conditions of my underlying Agreement(s) with Marina, the terms of which are incorporated by reference herein, and, in the event that Marina determines, in Marina's sole discretion, that I, Owner, am in breach of the underlying Agreement, Marina may act in accordance with the Default provision of such Agreement, may retain any and all payments, and/or take any other steps Marina, in its sole discretion, deems necessary.
